# *Never Before ...*

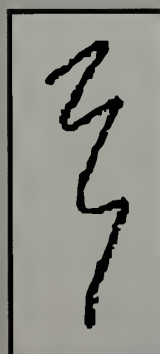

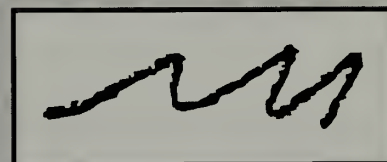

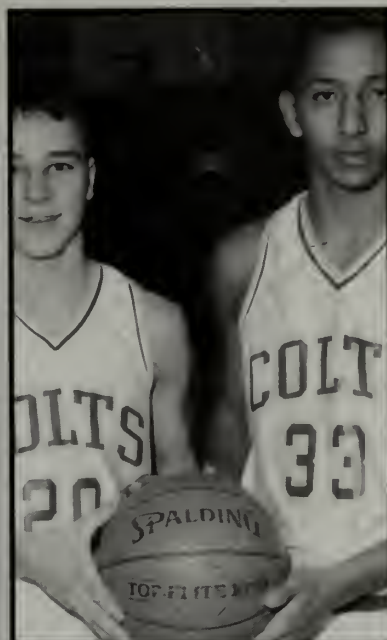

A chapter in our lives and in Comp's history is now at its end. For the students of the Class 1996, it provides us with the ability to move on to bigger and better things. Whether it's starting college, beginning a career, or serving in the military, we are all getting a fresh start. "Never Before" have we been presented with the situation at hand, and "Never Again" will it occur. Comp has given us an education and memories that will last a lifetime. We'll take with us some bad memories, but when we look back, we'll see that the good moments far outweigh the bad. We'll look back and think of our friends, our teachers, and our administration and say to ourselves, "Never Before, Never Again." We, the Class of 1996, now have the chance to make our mark on the world. Let's make the most of our opportunities and prove that "Never Before" has there been a class like ours and "Never Again" will there be another quite the same.

(contributed by Robert Carroll)

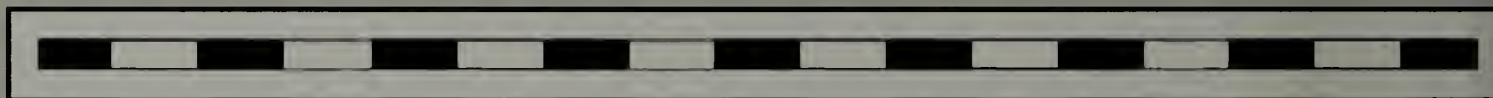

*Never Again . . .*

# Dedication

Mr. Alfred Pinciak

This was the first full year of Mr. Pinciak's term as principal. He has worked to his fullest potential not only to make the school better, but also all its students. He is a tireless advocate of academic improvement and scholastic achievement. His work on the School Advisory Council, as well as other organizations, has been invaluable to the advancement of education here at Comp. Friendly, caring, school-spirited, these are all qualities Mr. Pinciak possesses. He has dedicated himself to making Comp as safer and more peaceful learning establishment. For this, we dedicate Memini 1996 to Mr. Alfred Pinciak.

# Dedication

Mr. Stephen Jendrysik

Mr. Jendrysik has been a fixture here at Comp in the Social Studies Dept. for over 30 years. He is perhaps best known for his 30-year stint as coach of Comp's academic teams, including the Debate team, the "As Schools Match Wits" team, and the Academic Decathlon team. Mr. Jendrysik promotes a beneficial class atmosphere to all his students, and his contributions to the Class of 1996 are unquestionable. He has long been a teacher, supporter, and friend to all students. Mr. Jendrysik deserves the utmost thanks and appreciation from everyone. For this, we dedicate Memini 1996 to Mr. Stephen Jendrysik.

# In Memorium

Mr. Joseph Perlik

As we go through life, there will always be someone we encounter who is taken from us much sooner than expected, who touched our lives in many ways and will be sorely missed. Although death has taken him away, nothing can erase our very special memories of Mr. Joseph Perlik.

For thirty years, Mr. Perlik was a member of the social studies department. He was a respected colleague, teacher, and friend to all of us here at Comp. Consumer Economics was one of our most popular Senior subjects. Hundreds of Comp graduates filed their first income taxes with Mr. Perlik in Room 220. He was their teacher and financial consultant.

Faculty members remember Mr. Perlik's enduring contributions as the leader of the Chicopee Education Association during the formative years. Most teachers will never forget his willingness to share his knowledge and expertise.

Joseph Perlik was a good teacher, an able colleague, and a true friend of Chicopee Comprehensive High School.  
(contributed by Mr. Stephen Jendrysik)

# Retirement

Mr. Douglas Gray

Mr. Douglas Gray, the Director of Vocational Education for 18 years at Comp, officially retired on December 31, 1995. Mr. Gray was responsible for implementing many changes in vocational education at Comp, and his tenure witnessed a move towards high tech, computerized equipment in all of the vocational programs. Mr. Gray administered the Carl Perkins Federal money and half a million dollars in additional grants, experimented with two period programs for academic students in several vocational areas, and supported the inclusion of Tech Prep/applied academics in the curriculum for all students. On behalf of the entire Chicopee School System, we wish Mr. Gray the best in retirement.

Never Before ...

## Class History

Never Again ...

# Freshman Year

Never before . . . were we Freshmen.

I am sure we all remember orientation, remember walking through the hallways and thinking, "there's no way I'm going to remember all this!" "Excuse me, Miss, uh where did you say room 105 was?" Do you remember that sentence? Or how about the famous rumor of the 4th floor, or could they really stuff us in the lockers? I also remember the phrase "had to be a Freshman" very well. Even though we were all nervous and didn't know the true meaning of "mid-term exam," we came through quite well. We showed the school that even though we were Freshmen, we could give new meaning to junior varsity and varsity teams. Sarah Giguere was home-coming queen, and we Freshmen won 2 events at the school rallies. And Kerri Brosnan, Garrett Coakley, and Guilaine Nicolas became peer mediators. Ninth grade was just the beginning. Soon the anxiety ended, and we quickly learned that Comp was "cake!"

# 1992-1993

# Sophomore Year

Does anyone hear bells? I know you have to remember the fire alarms. Many times the administration came over the loud speaker and told us that this "was an act of immaturity" and this "person or persons would be caught." Although the fire alarms became a continual occurrence, the trend soon wore off and we became interested in more fascinating things such as driving school and permits. Amanda Salacinski was home-coming queen. Also, we had our assembly on class rings. We had some minor problems but nothing that would stop us from showing school spirit! At this point, the "cliques" started to form, and we all tried to find our special niche. But the Class of 1996 was very special for this reason; we tried to find what was right in front of us. We had a special clique - it was the Class of 1996!

# 1993-1994

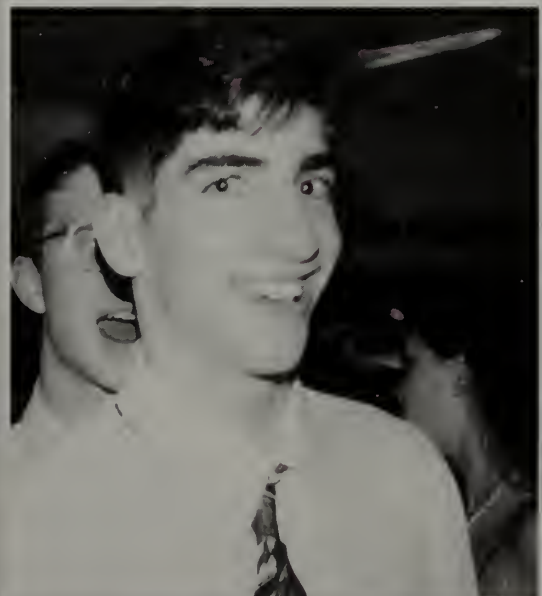

# Junior Year

Mid-terms and finals were cake. We handled the situation of I.D.'s very well, kinda. The Comp Cheerleaders took cheerleading to a much higher level. The girls and guys won their soccer divisions, and shall I say Amanda Salacinski redefined gymnastics! Amy Oulette won home-coming queen. Amy Anthony, Kelly Bujnicki, Aaron Burgess, Aaron Colon, and Adam Pudelko showed that not only can Comp excel in sports but definitely in academics as well. Adam Pudelko won a \$20,000 scholarship to UMass, and Heidi Sabourin won an award for volunteer work. We won powder-puff! One word - LICENSE! Of course, we can't forget the Prom, the limos, and the stress. Several Juniors became mediators - Sarah Budd, Tara Letasz, Stephanie Lussier, Kristy Fontaine, Ed Jaszek, Andy Farr, and Jilena Cichon, who tried to express the idea of "co-existing" in the building. The Debate team, powered by Adam Pudelko and Garrett Coakley, finished 2nd in their league, and Garret won an award for 2nd best speaker in the league. Then there were PSAT's, but that year came to an end and we felt the excitement of becoming Seniors!

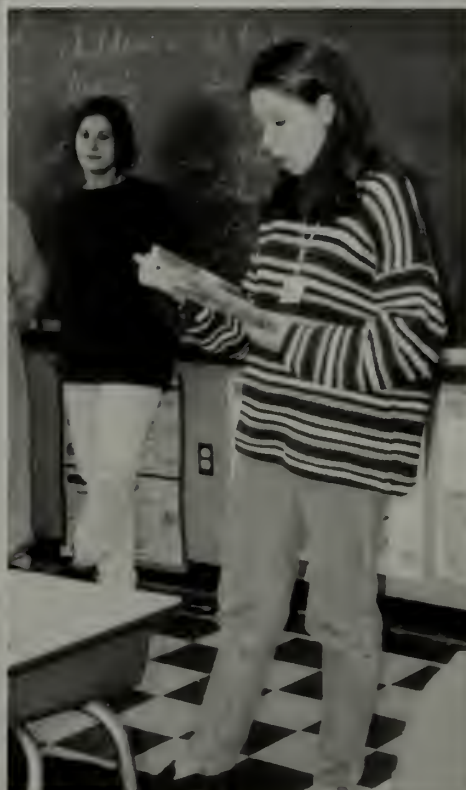

# 1994-1995

# Senior Year

Finally! We found out what Senioritis was - a serious disease that could only be cured with breakfast at Denny's! Jeremy Procon had 3 different cars. Speaking of cars, does "motorcade" ring a bell? Jaime Geoffroy and Heidi Sabourin won homecoming king and queen. The parking lot was still a nightmare. Adam Pudelko and Aaron Colon won National Merit Awards for their scores on the PSAT's. College essays, SAT's, and financial aid! The last cotillion for the Seniors was a blast; it was great to see everyone together, and even those Chouinard twins were dancing! Selena Reynolds, a.k.a. "Nature," was the only Senior soccer player allergic to grass. Adam Pudelko and Amanda Salacinski stayed up to 5 A.M. working on the Senior Section of the Yearbook! We all missed Amy Anthony, who underwent surgery and had to miss school for a couple months, very much. The Class of 1996 will cherish these memories for a lifetime. As Freshmen we cleared a space, as Sophomores we chose the place, as Juniors we came together and not apart, and as Seniors we made our mark! Never again ... will we be Seniors.

# NEVER BEFORE . . .

Sexy senior girls start the first day of school.

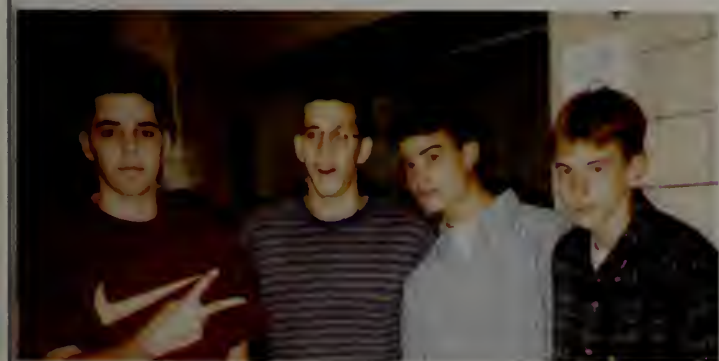

"Hangin' out in front of the girls' room," Rachel Roy and Wes Leatherman.

"He's not heavy, he's our honey!" Jason Lapierre, Matthew Wilkinson, Jeremy Dion, and Joseph Hamel.

Adam Courturier, Todd Daignault, Marie Regonini, and Thomas Piotrowski.

Four Comp "hunks" Steve Brady, Jeff Kosiorek, Kevin Deren, and Dan Darcy, hangin' out at the corner.

## WERE WE SENIORS!

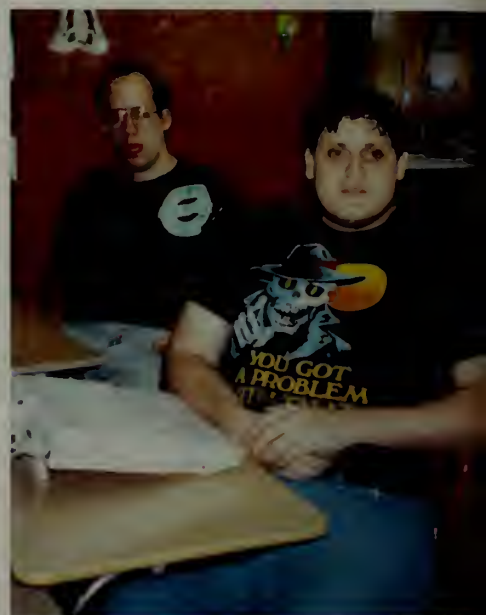

NEVER BEFORE . . . .  
have we worked so hard.

Senior Sec. Editors - "Before the agony."

"You've got to be kidding!",  
Kevin Hurley.

Donald Lorenz and Michael Hadley working on  
the computers.

"Who's got the next round?" Seniors eating at the new 'moving' tables.

"Please, please don't take my picture." Bernice Calderon.

NEVER AGAIN

. . .  
will we have cheap  
and "delicious"  
lunches.

# NEVER AGAIN . . . .

"No Becky, look this way!"

"Together again!"

"Thumbs Up!"

"He's so cute!", Amanda Salacinski and Jay Doray.

"Exceptions to the rule!", Bob and Mike Chouinard.

Garrett Coakley and Bob Carroll enjoy a football game and the dedication of Kuzdzal Field.

"Dennis, what girl are you looking at now?", Dan Darcy, John Hale, and Dennis Benoit.

## . . . will we all be together

# NEVER AGAIN . . .

"The survivors and Mandy, 'Miss V-8'!"

Mike Moreau

Amy Anthony

Karyn Laroche

"Dude, like push me or somethin'!", Chrissy Perlak and Heidi Sabourin.

"Gotcha wise guy!", Amanda Salacinski, Mike McCain, and Amy Anthony.

# FOOTBALL

Despite a 9-7 loss in the seniors' last sword game against Chicopee High, the Comp football team had an uplifting season.

In a 35-7 win against Westfield, senior Frank Taft recovered a fumble and ran 46 yards for the touchdown. Also in that game junior Mike Chmura had 98 yards rushing and Nick Bergeron added 89 yards.

Comp's other win came against Cathedral in a very close game. In a game against Western MA Division I Super Bowl Champs Holyoke, Comp played a game in which Comp held Holyoke's star runner Cedric Washington to one of his lowest rushing totals of the season.

Overall the season was reflective of the team's unity and work ethic. With only six seniors on the team, Coach Desautels and the rest of his staff have a team to work with next year. Comp is back! (contributed by Robert J. Carroll, Garrett J. Coakley)

# BOYS' SOCCER

The Boys' Varsity Soccer team finished the 1995 season with a school record-tying 14 regular season wins. It was powered by the dominance of eight seniors: Aaron Burgess, Mike Chouinard, Bob Chouinard, Kevin Deren, Rob Peters, Jamie Geoffroy, and Eric Richards. Eric was the leading scorer in all of Division 1, while Kevin, Jamie, Bob, and Adam were in the scoring leaders for the Moriarty Division. The team finished Mr. Davis' 27th year at Varsity coaching at 14-3, and won the Moriarty Division Championship for the 2nd straight year. They went into the West. MA Tournament seeded 4th, but lost a disappointing game to Cathedral in the Quarter-finals.

# BOYS' CROSS COUNTRY

It's been 15 years since Comp had a better record than their 7-4 record this past season. The last time was in 1983 when Comp finished at 8-1. During the season, Comp defeated Holyoke and Amherst for the first time since their remarkable '83 season. They also defeated Cathedral for the 1st time since '75 and cross-town rival Chicopee. Three of their four losses were within 2 points or less.

Congratulations to the tri-captains Kevin Hurley, Matt Wilkinson, and Matt Brach and to the other 15 members on the team for their contributions.

# GIRLS' SOCCER

The 1995 fall season was what one would call a rebuilding season for the Colts. After losing almost our entire team from the previous season, we were left with a group of hard-working and talented girls who were exposed to new ideas and had the opportunity to try out new game strategies. We played very competitive games with the teams in our division. On average, our losses only came within the last few minutes of the game.

Due to the lack of Jr. Varsity players almost halfway through the season, the Varsity team doubled in size. So we ended up trying out a lot of rookies on the field which will hopefully help the team in the upcoming season.

If one were to remember this season, it would be best represented by the poem of the geese, which was read to us during halftime of one of our most competitive games. The geese in this poem symbolize how we as players on a team, just as geese in a flock, must work together and help each other. When one of our leaders gets hurt, just like the leader of the flock, the other players must step up, like the geese who fly to the front of the flock and lead the rest. We as players on a team must do our job on the soccer field as the geese do in the sky. I'd like to wish a "good luck" to the team in the coming seasons and leave them with our slogan "V-shaped."

# HOCKEY

The Comp Hockey team had high hopes going into the 95-96 season. Talk of a 1ST place team and playoff hopes were also going around. The team was very strong offensively. Defensively, the team was somewhat strong and goaltending was some of the best in the league. Although we were a fairly young team, we were strong in all regards. Fitzpatrick Rink reopened after a year and a half of being closed. The opening of the rink meant more games and easier travelling for fans that attend the games. (submitted by Todd Daigneault, #31)

# GIRLS' BASKETBALL

This year was a rebuilding year for us. We didn't have any seniors and we only had four juniors. We were very young and inexperienced.

Even though we only won six games, our record didn't show how well we improved over the season. We became a team. Everyone started to work well together and we began to execute our plays better. The big highlight of our season was when we beat Chicopee in an overtime victory of 70-65. The game really got everyone excited for the rest of the season, and all played well.

Our final record was 6-12. Everyone is returning next season, and we are all looking forward to it. We hope to continue improving and make it to the tournament.

## Comp Chronicle

Journalism allows students to roam through the world of words. Students in Publications class write stories ranging from the serious topics which plague our society to the humorous topics of everyday life. Approximately every month, the class builds an 8, 12, or 16 page school newspaper, depending upon the number of stories and the funds which the students get for ads. Mr. Walter Stachura advises the students in composing the

newspaper from scratch. From writing the stories, to typing the copy, to laying out the pages, all the work is done by the students. Many students take on extra responsibilities, such as: Editor-in-chief Nick Ozmore, News Editor Garrett J. Coakley, Features Editor Brigitte dos Santos, Sports Editors Robert J. Carroll & Anne Thomas, Photo Editors Erin Lynn Hennessey & Melanie Laramée, and Business Manager Denise Cote.

# Band/ Chorus/ Colorguard

## Band/ Chorus/ Colorguard

This year the band has done very well in achieving our goals. Although our numbers and facilities are limited we have achieved success within them. Having a new conductor and little experience in competition, the band has learned to work and grow together as a group. Although we are often overlooked by many who are speaking of school activities, we are a team comparable to any other. Our driving force is our commitment to our musical education, and we will remember the lessons and friends, which we have met in band, forever.

## Putting On A Show

The Drama Club annually shows why it is one of the finest in Western Mass. Between the performances of sketches and monologues, the club is constantly working to hone their skills through hours of rehearsals and

practice. This year's showcase was a tremendous success. It displayed performances of monologues by the club members. The Drama Club continues to be one of the closest organizations at Comp.

# NHS/PRO Merito

## Excellence

The focus of the National Honor Society is not only academic excellence but also active community participation. Members excel in four major areas - leadership, service, scholarship, and character. To become a member of NHS, a student must have an average of 85 or above and must complete 20 hours of community service. Pro Merito members must have a 90 average or above and must also complete 20 hours of community service. Members of the NHS work hard in school and in the community. They dedicate their time and effort to such activities as Red Cross blood drives, volunteering monthly at the Chicopee Soup Kitchen, volunteering at nursing homes and hospitals, tutoring their peers and younger students, and much more. The students also take part in various fundraisers for scholarships, knowing full well the benefits of a future college education. A commitment to learning and to the community distinguishes NHS members as good students and good citizens.

"What's the answer?" Members of the 'As Schools Match Wits' team attempt to give the right answer, despite the distraction of Aaron Colon's feet.

"I'm free." After thirty years of coaching the academic teams here at Comp, Mr. Steve Jendrysik has left his position to pursue other interests.

"Can I go home now?" At an afternoon meeting, Adam Pudelko looks baffled, Robert Carroll looks narcoleptic, and Garrett Coakley just looks mad.

"What have I gotten myself into?" Mr. Steve Czaporowski conducts a raucous meeting of the Academic Decathlon team.

"What do I do next?" New Debate coach, Mr. Steve Brown, has his photo snapped during one of his English classes.

## Academic Teams

### Academic Decathlon

### As Schools Match Wits

### Debate Team

The Comp Model Congress team attended the annual students function at African International College, and had good results with their bill written. Seniors Adam Pudelko and Garrett Coakley. The team had an enjoyable time during their mock legislative session and returning team members are looking forward to next year's event.

For the first time in CCHS history, there was a different coach for the Academic Decathlon. Mr. Steve Czapowski took over for Mr. Steve Jendrysik when he opted to no longer coach. It was also the first time in school history that two teams were fielded.

This year's team, under the guidance of new coach Mr. Steve Czapowski, was a very talented and motivated squad. Returning from last year's team were Senior co-captains Garrett Coakley and Adam Pudelko, Seniors Aaron Colon, and Junior Jason Remillard.

During the month of February, the team competed on the quiz program, and their matches were later televised in April on TV-22. They showed great aptitude in the categories chosen and gave their best effort.

Under the direction of new coach, Mr. Steve Brown, the CCHS debate team looked to improve upon last year's second place finish in the Connecticut Valley Debate League with a strong group of two teams.

The "Gold" team was led by Senior co-captains Garrett Coakley and Adam Pudelko, also Junior Justin Pare and Sophomore Sara Curtin. The "Blue" team consisted of Seniors Robert Carroll, Amy Anthony and Vic Cantabile. Also on the "blue" team were two newcomers, Junior Briana Kane and Jeannie Stokowski.

## Harmony And Understanding

The Cultural Club started in 1993. The goal of our club is to have students learn about each other's culture and reach a better understanding of why and how different races do things differently.

Our club is open to students of all ages and races. Many things

take place in our club. We have meetings to discuss our different racial interests. We go on trips to learn about different cultural ways of life. We also learn about the diversity of our cuisines. And we like to have fun.

## Chess Club Sets The Standard For Excellence

The chess club is an assemblance of some of the greatest minds at Comp. The club prides itself on knowledge, skill, and quick-thinking ability. Its main purpose is to enjoy the game, but it also functions to help players learn the fundamentals of the game. The club members this year are quite enthusiastic and hope to challenge each other to attain a higher level of play. Nonetheless, the members like to keep the competition friendly so that newcomers can also feel welcome. All in all, the chess club has a bright outlook for the future and hopefully will continue to be a pleasant diversion for the students at Comp.

# Aides

## Helping Out

As library aides, we help those who are confused on what to do in a library. That usually involves finding books, using the computers, making copies, and running errands. We also help the very hard working librarians so their jobs can be a little easier by delivering office slips, delivering mail, putting away all the books that come in late and cleaning up the mess that is left behind after each period. We also learn how to find books in the library very easily. That really comes in handy when there's a term paper due. When there's free time, we can do homework and sometimes sleep. (by Peter Zawadski)

Office Aides are those students who assist the administrators in the attempts to better control their ability to effectively perform administrative duties. They are the ones who make the phone calls, check the tills, and basically play gopher. These are the people who make life at Comp much easier, for the teachers, students and administrators.

**Top Row:** Amy Lafond, Stephanie Dahill, Kathryn Wisniowski, Jennifer Bathgate. **Middle Row:** Amy Delphia, Thomas Dugre, Jennifer McLean. **Bottom Row:** Scott Osetek, Adam Courturier.

## Helping Others

Peer Ed means a lot to me. Peer Ed is a group of students who are willing to reach out to the younger kids in the community, and teach them about the harmful effects of drugs and alcohol on the body. What we do in Peer Ed isn't just talk about drugs and alcohol; we teach them through interactive skits and group work. We just

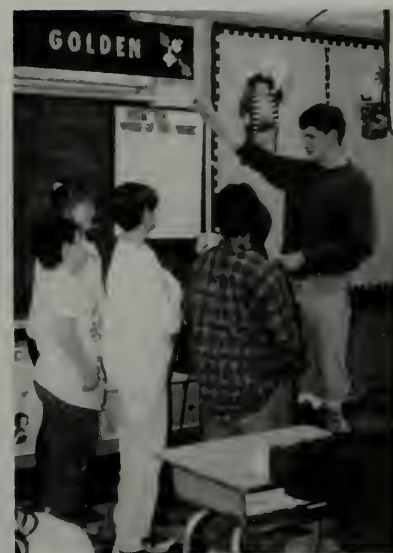

don't preach to them about those dangers; we help them gain a positive image about themselves and show them how to make good decisions. Peer Ed seems to be effective, and the kids truly love it. All the work that we put into these things will be worth it if we help just one child's life.

## Regional Advisory Council

Kelly Bujnicki,  
Amy Anthony.

## Representing

The overall purpose of all three councils is to improve Comp in any way possible. Each council meets once a month to discuss school issues. The issues range from ID's to laws the school must abide by.

The student advisory council is in charge of revising the student handbook. The handbook states all of the rules and information every student at Comp must know.

The school advisory council is made up of students, parents, faculty, and community members. The council's main job for the year is to produce a School Improvement Plan which is read and commented on by the school committee. The council also has to prepare surveys which go out to students, parents, and faculty every two years. These surveys help the council decide what needs to be improved at Comp.

The regional advisory council consists of two students from each school throughout the state. Each month they meet in Northampton to discuss school issues at the state level. They are able to propose bills such as the Recycling Bill, which go to the Department of Education and then to the State Legislature. Each council allows one to voice one's opinion and make changes in the way the school operates.

# Student Council

The Student Council is a group of students who not only represent the student body but also engage in many worthwhile activities to benefit the school and the community. The Council supports such things as canned food drives, "Spirit Week," and Senior

scholarships. Through candy sales and dues, the Council is able to raise the necessary funds through which it performs its beneficial activities. Council members are exemplary students who maintain good grades and good attitudes.

## Forever Young

May God bless and keep you always,  
May your wishes all come true,  
May you always do for others,  
and let others do for you.  
May you build a ladder to the stars,  
climb on every rung, and may you stay,  
Forever Young.

May your hands always be busy,  
May your feet always be swift,  
May you have a strong foundation,  
when the winds are changing shift.  
May your eyes always be open,  
May you never think them wrong, and may you stay,  
Forever Young.

May the road rise up to meet you,  
May the wind be at your back,  
May you never find a way to stagger,  
off your chosen track.  
May you find your true salvation,  
May it only make you strong, and may you stay,  
Forever Young.

May you never have to doubt yourself,  
May your thoughts never be blue,  
May you always see the lights,  
that are all around you.  
May those lights shine on you always,  
May your song always be sung, and may you stay,  
Forever Young.

# Peer Mediation

## Making A Difference

The Peer Mediation staff had perhaps its busiest year ever in 1995-1996, under the leadership of a new facilitator. Mike Larkin took over as the full time facilitator for the first time since Mrs. Rebecca Fennessey left the post to become Assistant Principal. Mediation serves as a peaceful alternative to physical altercations for those students who are involved in conflicts. It is a system by which a student can

calmly voice opinions without resorting to violence. New mediators were again trained this year, readying them for the woes that the outgoing mediators have experienced for the past three years since the program's inception. We, the outgoing mediators, hope that the success of the peer mediation program will last for many years to come.

If we work upon marble,  
it will perish;  
if on brass,  
time will efface it;  
if we rear temples,  
they will crumble into dust;

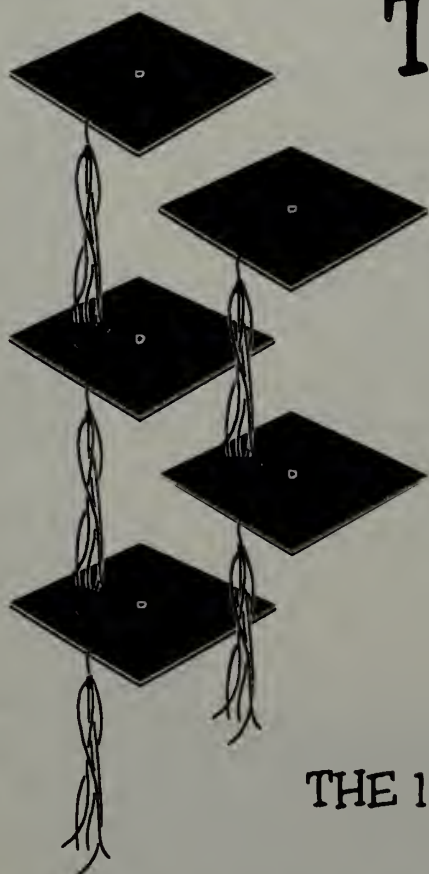

But if we work upon  
immortal minds  
and imbue them with  
principles, with the  
just fear of God and  
love of our fellow-men,  
we engrave on those  
tablets something that  
will brighten to all eternity.

## THANK YOU

Mr. Boulais - For all your time, effort, support, advice, and comic relief. We are eternally grateful to you. Mr. Lendry - For your understanding and assistance, even when we didn't make our deadlines. Greniers - For providing top-quality pictures and for always fulfilling our last minute requests. Administrat-ion - For your help and cooperation in allowing the yearbook staff to accomplish its tasks (sometimes by bending the rules). Mrs. Fennessey - For giving us that wonderful day of "school business", for your concern and support, and for letting us chill out in your office when we were at our wits end. The Salacinski household - For letting us use your home, for feeding us, for supporting us, for staying up to 5 A.M. to help us finish the Senior section, and for just being "cool." The Kwetian household - For also letting us use your home and feeding us. Mrs. Chelte - For identifying all those faculty pictures, for letting us leave class on what seemed like a daily basis, and for guiding and challenging us as students and as people. 60 Minute Photo - For your speedy processing on numerous occasions, even though half the photos were usually blurred. Senior Section Editors (Kerri Brosnan, Nyci Paquette, Christina Perlak, and Amanda Salacinski) - For assembling a fantastic Senior section through diligent effort and hard work, and for helping out with other sections whenever we asked. Chrissy Perlak - For running to 60 Minute Photo whenever we asked you to. Nyci Paquette - For making that very generous tip contribution that night at Chi-Chi's. Sports Section Editors (Sarah Budd, Melissa Byrnes, Robert Carroll, Vittorio Contabile, and Cherie Goulet) - For doing your job, for working hard (without our constant attention), and for meeting your deadlines on time. The Carroll household - For letting us use your home and for feeding us. Robert Carroll - For taking pictures on our "job hunt", for playing the Beatles, and for home-run derby. Justin Pare - For taking pictures, letting us use your camera, for offering your help, and for being a true teammate and friend. Nick Ozmore - For going above and beyond the call of duty, for being there when we couldn't, for taking pictures (usually of yourself), for exposing us to new music, and for letting us use your vast CD collection. The Ozmore household - For the use of your home, for being the nicest people, and for putting up with all our late-night visits to pick up Yearbook materials. Vocational Section Editors (Kristy Fontaine and Guilane Nicholas) - For taking the heat when your section wasn't done. Edward Jaszek - For showing "keen" (Michael Dion) interest in working on school spirit, even though we didn't have time to include that section. Class History Section Editors (Jilena Cichon and Donna Kwetian) - for doing a superb job, for getting great pictures and writing a wonderful, nostalgic write-up. Jillian Lombardi (Financial Editor) - For hunting down ads, a job all of us should have done better. Pamela Gagnon and Heidi Sabourin - For your invaluable assistance, concern, and support, for taking us out to lunch on "school business" day, and for relieving our stress. Mrs. Rider and Mrs. Danek - For letting us use the library and conference rooms whenever we needed to work or to just relax. Chris Pudenko - For typing pages upon pages of copy, for labeling and sorting underclassmen pictures, and for providing creative ideas. Hope your high school experience will be as great as mine was. Mr. Jendrysik - For supporting, encouraging, and guiding us, for being the best teacher, mentor, coach, and, most importantly, friend; the impact you had on our lives will last forever. Thanks to everyone who got ads or who took them out; without you, there would be no Yearbook. The Beatles and Nirvana. Not much thanks to everyone who didn't do his or her job, who quit, who gave us the distinct personal pleasure of doing their work and assembling the majority of this Yearbook. Finally, much more than thanks to Garrett Coakley, my co-editor. For 4 years, you have been more than a classmate, teammate, or debate partner; you have been the best friend, a person in which to confide my hopes, joys, fears, successes, and failures. You have helped me accomplish more than I ever dreamed I could. You pushed me even harder when I was succeeding and picked me up when I was down. I owe so much to you, much more than I will ever be able to repay. In no way is this an end; it is the beginning of the rest of our lives.

By Adam Pudenko
